The services provided by "UNIRELAB S.r.l." are governed by the general conditions stated in General Terms of Contract PG-003/01.

UNIRELAB is an ACCREDIA Accredited Laboratory since 03/10/2007 (N°. Accreditation 00610) and since 2011 it is also certified for ISO 9001 Quality System (N°43773/23/S).

The following is the information on the ACCREDIA accreditation of the Unirelab Srl Laboratory.

The Testing Laboratory "UNIRELAB S.r.l." operates in accordance with the requirements prescribed by the UNI CEI EN ISO/IEC 17025 standard and has entered into the agreement with ACCREDIA, No. 00610 for the Settimo Milanese site, according to which ACCREDIA grants the laboratory accreditation for the required tests. ACCREDIA verifies and gives assurance of the laboratory's compliance with the requirements for accreditation, authorizing the same Laboratory to cite such compliance, to the extent permitted by applicable ACCREDIA documents, in test reports related to accredited tests and in its own documentation. ACCREDIA assumes no responsibility for the test result.

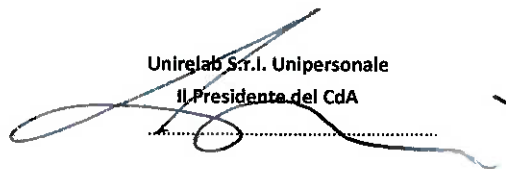

Consultation of the Convention entered between the laboratory and ACCREDIA and the requirements contained in the ACCREDIA Documents are available to the Client upon request. It should be noted that the Test Reports that will be issued under the ILAC- ACCREDIA Mark are related to accredited tests and cannot imply approval and/or certification of the sample/product examined. The Mark and any reference to accreditation shall not be affixed to a test sample or product (or part thereof) or used to imply product certification. The Mark or any reference to accreditation shall not be used in such a way as to create the impression that ACCREDIA accepts responsibility for the result of the test, or for any opinion or interpretation that may result from it, or that ACCREDIA gives approval to a test sample or product. The laboratory seeking accreditation is responsible for the correct identification of the tests.

The Mark or reference to the accreditation shall not be used by Clients of Accredited Laboratories, nor may it be used in documentation concerning a product, or be shown on a product. It is permissible to attach the copy of the Test Report.
